Reference project: applications of timber in civil engineering, residential and commercial construction, edition October 2014

### Bridges 't Lichtend Pad

#### Project:

Location	district Sloten, Amsterdam, the Netherlands
Date of completion	2002
Wood species	angelim vermelho, cumaru, cupiuba, piquia, tatajuba and uchy (uchi torrado)
Certificate	FSC
Country / Region of Origin	Brazil
Application	Construction and bridge deck
Additional information	The choice of wood in this project was performance based instead of species based. Wood species had to meet strength and durability standards. The beams serve both as construction and boardwalk with metal grate in between.

#### Supplier:

Company name	Precious Woods Holding
